

Best of mixed green salads is made better with the addition of luscious avocado slices and bits of crisp bacon. Lightly toss the Calavo and bacon with other salad ingredients right at serving time.

For a new touch, add Calavo cubes to old-fashioned wilted lettuce salad. Combine 1 quart

bite-sized pieces leaf lettuce, 2 sliced green onions, 1 cup Calavo cubes in large bowl. Fry 3 slices bacon, cut in small pieces, until crisp. Add ¼ cup California wine vinegar, 2 table-spoons water add 2 teaspoons sugar, and heat to boiling. Pour over greens and toss until wilted.

**LIVE BETTER...Electrically**

**COOKING IS SO SIMPLE**

Its ease of operation is one of the things you'll like best about an electric range. You get excellence without effort...just set the controls, and forget the whole thing until serving time.

**WITH AN ELECTRIC RANGE**

Cooking electrically is simplicity itself...the controls do the work and the watching. You can cook a complete meal without even being in the kitchen...and every dish will be perfect.

Extra ease? Yes...and electric ranges are the ones with all the extras. See your dealer.
